

BHCC COVID Guidelines

What's new:

- Vaccination *recommended**
- Masks **required** 1st Sunday of the month⁺
- Masks **optional** all other Sundays[@]

What's the same:

- stay home if you're feeling sick
- Practice good hand hygiene, keep distance between households, and we'll keep circulating and filtering the air, and opening windows when possible

* keeping current on COVID vaccinations & boosters is an effective way to prevent serious illness and death

⁺ when masks for children are optional, adults working with children will wear masks; high-quality masks offer effective protection against the spread of COVID

[@]per CDC recommendation: if Hancock County is **low** or **medium**, masks optional; when **high**, masks required. Status reviewed weekly.
